## Funeral of John Woods.

A large attendance of friends and relatives from Bridgeport, Martin's Ferry and surrounding country, was present yesterday at the burial of John Woods. The services were held at his late residence, three miles west of Bridgeport, on the Cadiz pike. The interment was at Weeks' cemetery. The Bridgeport lodge No. 121, Free and Accepted Masons, had charge of the funeral. Rev. R. S. Strahl officiated. The pall bearers were L. M. Fogle, John Brooks, W. J. McHugh, S. A. Clemens, James Clark and Thomas Hill, of the Masonic lodge of which the deceased was a member. The deceased was a prominent man in financial and business circles in his native county of Belmont, for many years past. By his strict and careful attention to business, with careful management, he had accumulated a fortune that he leaves to his heirs.

## IN THE BALANCE.

"Merchants' Day" Project Not Receiving Proper Support

FROM BUSINESS COMMUNITY.

A Meeting of Those Interested which was Called for Last Night was Attended by a Small Representation of Wholesalers. A Motion to Drop the Project was Not Seconded—Another Meeting will be Held Thursday Evening.

The "Merchants' Day" project hangs in the balance with a few ounces overweight slowly sending the beam in the direction of failure and abandonment. Unless there is an awakening to the situation and some lively hustling, "Merchants' Day" will be numbered among the enterprises that have flickered and died in extreme infancy.

The meeting of the wholesalers called for last evening at the chamber of commerce, for the purpose of taking up the matter and completing the arrangements for the event, was so meagerly attended that those who were present had all the spirit taken out of them at the start. In the absence of Chairman Hurlbush, Mr. Allen Brock, of the Joseph Spedel Grocery Company, was elevated to the chair, temporarily.

Secretary G. W. Wilkinson reported that only nine of the thirty-eight firms had handed over to him the lists of persons to be invited here on "Merchants' Day," and until he had received the other lists he could not prepare the amended list. The firms that have already responded are the Baers' Sons Grocery Company, Locke Shoe Company, McCoy Shoe Company, the Kraft-Frank Company, Joseph Spedel Grocery Company, John S. Naylor & Company, T. T. Hutchisson, E. Wagner, Trimble & Lutz Company, Henry Speyer and Neill & Ellingham. He believed that the number of merchants to be invited would reach 3,500 to 4,000, not far away from the larger figure. He did not believe he could prepare the revised list before Thursday.

This report was followed by a discussion in which it was shown that there is a disposition to drop the proposed outing and entertainment of the out-of-town customers of the wholesalers. A motion was made requesting the secretary to prepare a statement of the expense already incurred and that a pro-rata assessment be made on the firms having subscribed to the fund, after which the project would be dropped. This motion failed to receive a second and was dropped.

Another gentleman suggested the advisability of inviting 1,000 merchants. With the \$3,000 subscribed to the guarantee fund and the probability that a one-cent a mile rate would be obtained from the railroads, he thought no risk would follow the celebration with the invitations limited to 1,000. Or, on the other hand, the committee could amend its plan and arrange to have the visitors pay their own railroad fare at the reduced rate and use the fund subscribed in their entertainment. In this way there would be little chance of loss even if more than 1,000 merchants accepted the invitation.

At this point a motion to adjourn to the call of the chair, was made, but was amended by Mr. McCoy that the meeting adjourn until next Thursday evening, all the subscribers to be notified in the meantime that the matter would be finally disposed of at that meeting.

Before the motion was put, however, Mr. Ellingham suggested that Secretary George Hook, of the West Virginia State Fair Association, be given the floor. This was acted upon favorably, and the genial state fair man made his "spiel." He did not like to see the "Merchants' Day" idea doomed to failure, and suggested as a way out of the trouble that it be held during fair week, when so many wholesalers from the territory tributary to jobbing Wheeling usually come to the city. Failure in this undertaking would not speak well for the enterprise and spirit of the merchants of Wheeling. The "Merchants' Day" celebration could be held this year on a modest scale in connection with the fair, and next year there would be more time to mature plans and raise the necessary funds.

Merchants, however, objected to this plan, stating that it would be next to impossible to do business with the visitors while so strong an amusement attraction as the state fair drew them in another direction.

After further discussion the meeting adjourned until Thursday evening, when the matter will be disposed of.

IT is always gratifying to receive testimonials for Chamberlain's Colic, Cholera and Diarrhoea Remedy, and when the endorsement is from a physician it is especially so. There is no more satisfactory or effective remedy than Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Dr. R. E. Robey, physician and pharmacist, of Olney, Mo.; and as he has used the Remedy in his own family and sold it in his drug store for six years, he should certainly know. For sale by druggists.
